## Principal's Message 5th May 2015

Dear Parents and Friends,

As many of you know, the imminent start to our building works at school, which will continue for the remainder of the year, meant the P&F and I made the difficult decision earlier this year not to hold a fete for 2015. We have however set the date for the 2016 fete – Sunday 5th June 2016!

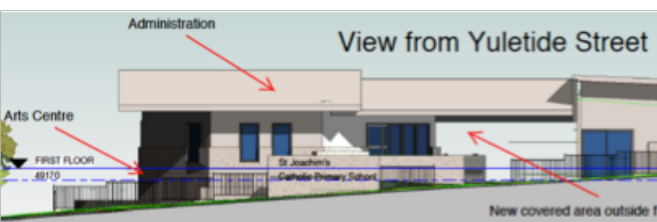

Although that seems a long way off, preliminary planning needs to get underway soon. We already have the beginnings of a Fete committee in place. We have volunteers to do the media & marketing, sponsorship and manage donations, **but what we really need is a Fete Convenor!** The role of the Fete Convenor will be to oversee the event management including, safety, stalls, communication and logistics. This will not be a job to do single handed though - a support committee and the entire P&F will be in place to help.

Finding someone for this role is crucial for our school – not only does the fete bring in the money we need for playgrounds, gardens, IT equipment, classroom fit out and books, it is also a lynchpin event which brings our entire school community together.

If you have an interest in the role or would like to know more, please contact our P&F President, Kylie Hansen on [kylie.hansen6@bigpond.com](mailto:kylie.hansen6@bigpond.com) by the end of May.

### Building Update

Glenlea Building Projects have been awarded the contract for the new administration building, extension to the library and construction of the new student amenities. Glenlea are the same builders who built the Prep and OSHC room. We were very satisfied with their work and look forward to working with them again.

Work is scheduled to commence in **late May**. This will depend on weather and a few other conditions. The demolition of the administration building will take place over the June/July vacation period.

Fred Jacuzzi (school's architect) and I have established a plan for the relocation of the administration services, staff and contents. I am looking for quality storage boxes that will assist with the move. If you are willing to donate boxes similar to the image below please drop them by the office at a time that suits you.

### Procedures for Responding to and Preventing Bullying

We believe our students have the right to learn in a supportive, caring and safe environment without the fear of being bullied. A safe and supportive school is described in the following way:

*"In a safe and supportive school diversity is valued and all members of the school community feel respected and included and can be confident that they will receive support in the face of any threats to their safety and wellbeing".  
(NSSF)*

Our school's procedures can be found at the link below. I encourage you to read the full procedures, specifically the parents' and students' responsibilities.

<http://www.stjoachimscps.qld.edu.au/Student%20Wellbeing/Pages/Procedures-for-Addressing-Bullying.aspx>

I encourage you to please speak directly with your child's class teacher if you become aware of any concerns around behaviour, your child's health or wellbeing. It makes it very difficult if the teachers are unaware of the issues. It is very important that concerns are raised immediately so that they can be dealt with effectively and positively.

I thank you for your ongoing support in this very important area.

### **Energex Works**

We have been advised by Energex that the electricity pole directly outside the school in Yuletide Street will have an update for customer protection in the event that the main supply is brought down in severe weather. The works will be carried out on **Wednesday 13th May 2015**.

Energex will be on site early that morning to connect a generator. This will be located outside the church (in the loading zone) and run between the hours of 6:30am – 6:00pm.

Energex apologises for any inconvenience.

J&P Richardson are the company contracted to perform the **actual work between the hours of 7:30am – 1:00pm**. Traffic controllers will be in attendance.

Have a great week, and I wish all the mothers a happy Mother's Day this coming Sunday.

Chris

## **Religious News**

Dear Parents,

This week begins the 5th week of the Easter season and the gospel from John again has Jesus using imagery and an "I am" statement to explain his role as the Messiah. In last week's gospel, the image of the 'good shepherd' was used while this week Jesus describes himself as the "true vine and God as the vine grower." In this story, Jesus describes the need for branches to be trimmed and pruned in order to bear healthy fruit.

### **Similar images are found throughout John's gospel:**

- the bread of life (6:35),
- the light of the world (8:12),
- the gate for the sheep (10:7)
- I am the resurrection and the life (11:25),
- I am the way, and the truth and the life (14:6)

Another interesting element that emerges from the words of John's gospel is the focus on servant leadership, most notably with the washing of the disciples feet by Jesus at the Last Supper. This is at the heart of being a follower of Jesus. This is certainly true of the St Joachim's community I'm delighted to announce that we have raised a total of \$4530 for Caritas': Project Compassion. Imagine what this money will be able to do for people in need around the world. Thank you again for your incredible generosity.

The month of May in the Catholic Church is traditionally dedicated to Mary, the Mother of Jesus.. The strength of her faith in God, her love for her family and her compassion for others provide a strong role model for all mothers. Present day Catholics honour Mary's part in the great Paschal story

### **Mothers' Day**

A big 'Thank you' to the wonderful group of parents, led by Emma Whalley and Fiona Potter (our Events Committee co-ordinators) who have spent months collecting and preparing gifts for our students to purchase for their mothers (and grandmothers) at the P & F stall on Thursday. Each class will have an allocated time to visit the stall to purchase their special gift.

This year we will celebrate Mothers' Day in a special prayer assembly led by Year 4 Red on **Monday 11th May**.

All mothers and grandmothers are invited to this celebration to be held in St Joachim's parish

church commencing at 2:05pm.

Happy Mothers' Day to all our mothers and grandmothers! I hope you have a wonderful day on Sunday.

Wishing you God's blessing for the coming week,  
Amanda

### Sacramental Program – Confirmation & First Eucharist

Please be reminded that **Workshop B** is scheduled for **Tuesday** of next week (ie 12 May) at **7pm at St Agnes' Church**. Unlike the Parents Session which was offered at two different time slots, Workshop B is a **one-off session** which needs to be attended by the child and a parent (both parents are more than welcome though). We ask that you go through **Chapters 4- 5** of the book with your child in preparation for the workshop.

We are now taking preferences for Confirmation and First Eucharist time slots. Please note that priority is given to families who attend any of the 4 parish Masses every week, after which preferences are allocated on a first-come, first-served basis. With 92 children to accommodate, it would be greatly appreciated if you could nominate at least 3 preferences to allow for some flexibility in scheduling. There is a limit of 10 families per Mass. For a complete list of Mass times and venues, please refer to the handout that was distributed at the start of the program. You may email your preferences to [sacpr.hpmg@bne.catholic.net.au](mailto:sacpr.hpmg@bne.catholic.net.au).

### PARISH MUSIC

*Who me?*

Well, do you think music at Mass is important?

*Absolutely!*

What can you do?

*Who me.???*

Yes, you!

*I can sing in tune but so can everyone.*

No not everyone can, and we need more singers.

*Who me?*

Yes, you! Look it's time to stop thinking that others can keep the Church going. The parish needs both singers and keyboard players. Other instruments would be great too. Can you get a little group together who would provide music once a month? Would you like to join an existing group? Do you know anyone who isn't even a Catholic but enjoys making music and might be interested? Take a risk, think creatively.

So yes, I am talking to you, contact the parish office.
